X 30

Game of observation

Age: from 2 ½ years - 5 years

Number of players: 2 to 4

Game duration: 10 mins

Contents:

9 butterflies

2 die

30 counters to win

Game preparation:

Place all the butterflies in the centre of the table.

Game proceedings:

The youngest player throws the dice.

The die indicate a colour combination.

The first player to catch the butterfly corresponding to the colour combination wins a counter.

*E.g.: the die show the blue/red combination.
The player catching the blue and red butterfly wins a point.*

Who wins?

The 1st player to have a total of 5 counters wins the game.
